Night Shall Break

SSA with piano accompaniment

Rob Redei

SLEEP, sleep, beauty bright,
 Dreaming in the joys of night;
 Sleep, sleep; in thy sleep
 Little sorrows sit and weep.

Sweet babe, in thy face
 Soft desires I can trace,
 Secret joys and secret smiles,
 Little pretty infant wiles.

As thy softest limbs I feel
 Smiles as of the morning steal
 O'er thy cheek, and o'er thy breast
 Where thy little heart doth rest

O the cunning wiles that creep
 In thy little heart asleep!
 When thy little heart doth wake,
 Then the dreadful night shall break.

hauntingly,
